To all School Staff

23 September 2021

Dear Colleagues

Thank you from the Councillors of Buckinghamshire Council

On behalf of Buckinghamshire Council's Children's and Education Select Committee, I am writing to you to offer our heartfelt thanks for all the wonderful work you have undertaken to support our young people and their emotional health since the Covid pandemic began last year.

The wellbeing of all our children has been supported immeasurably by yourselves and the school system in Buckinghamshire and you have offered, in some cases life changing support to many young people within it.

We are all aware of the immense amount of work that has been undertaken within Buckinghamshire schools and appreciate that the co-ordinated approach with several different agencies throughout this period of intense challenges has shown what dedicated professionals we have in the schools within our county to support our children.

Thank you.

Yours sincerely,

Councillor Patricia Birchley  
Chairman of Children's and Education Select Committee  
Buckinghamshire Council
